

QUICK REFERENCE GUIDE – NATURLITE & NATURLITE OIL

Mixing instructions for off the scalp applications

Using the scoop provided, measure two scoops of NATURLITE. Then mix in the NATURLITE CREAM ACTIVATOR and blend to a smooth paste.

Activators

NATURLITE CREAM ACTIVATOR 3% - designed to give 1 to 3 shades of lift

NATURLITE CREAM ACTIVATOR 6% - designed to give 2 to 4 shades of lift

NATURLITE CREAM ACTIVATOR 9% - designed to give 4 to 7 shades of lift

Mixing instructions for on the scalp applications

Measure 2 scoops of NATURLITE with 2 scoops of NATURLITE CREAM ACTIVATOR 3%, 6%, 9%. Blend to a smooth paste, add 1 scoop of NATURLITE OIL and mix thoroughly.

Activators

NATURLITE CREAM ACTIVATOR 3% - designed to give 1 to 2 shades of lift

NATURLITE CREAM ACTIVATOR 6% - designed to give 2 to 3 shades of lift

NATURLITE CREAM ACTIVATOR 9% - designed to give 3 to 5 shades of lift

Removal for both applications

Add water and gently massage. Rinse until water runs clear. Apply Organic Care Systems Status Quo Shampoo, lather and rinse, towel blot and spray Organic Care Systems Scalp Sensation onto the scalp. Then apply Organic Care Systems Status Quo Conditioner, ensuring that you leave on for 5 minutes.

This will close the cuticle and return the hair and scalp back to pH5.
